Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy offering products which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of employees enjoys new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' needs and skills along with their understanding of cleaning applications, along with owners' strong desire to considerably lower expense through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both technical support and parts obtainable when it is needed. Their high service devotion is among the core values in their customer service. Keeping their customers' cleaning equipment ready and working everyday is top priority. The company's top of the line technology delivers dependable machinery which eventually lessens your cost of cleaning. The service, the product and the price all work as one so as to make them an industry leader.
